Loyalty Song

Queen of our land,
Peerless you stand.
Pledge we allegiance
Now, to our Alma Mater.
This be our cry,
Yours till we die,
Name us thy loyal vassals,
Hail to thee!

Loyalty...

Loyal Hinsdale students should be loyal to many things—our country, our God, our state, our family, and we should also be loyal to our school.

Here at HTHS we have always been loyal to our sports teams. Our spirit two years ago carried our basketball team into the state finals and won us much acclaim from people all over Illinois.

There are other ways to be loyal to our school besides supporting our athletic teams. We can work to capacity in our school work. We can participate in extra-curricular activities, and we can support all school-run drives and programs.

We have much to be proud of here at HTHS. We have a new building, one of the best gyms in the state, outstanding teachers, and an excellent student body.

We can show our thanks for these wonderful assets by being loyal to Hinsdale High. How do you answer the question, "Are you loyal to HTHS?"

*Scholarship comes from study.
There is no easy road to knowledge.*

*School service is well reflected
in the library where students per-
form many routine tasks.*

To be a well-rounded personality, the ideal high school pupil needs to develop some skill in physical coordination.

Art is a language with differing inflections for different people. Art is a democratization of culture.

From drafting board to finished product, HT students have the chance to discover many talents and to find satisfaction in completing a project with accuracy.

Shop for vocational and consumer use are but a few of the offerings of the HT industrial arts program.

Every pupil becomes a master of or acquainted with an important tool of industry in the HT shops.

The Senior Class

Senior Class Officers

F. Borsch, J. Fischer, T. Reynolds, P. Dressler, M. Hohl, L. Scheer.

Take outstanding leadership and high intelligence, add school pep and spirit, and mix well with an abundance of originality. Let this simmer four years, and the outcome will be the class of '53.

As "green mice" back in 1949, the class started off with a bang! Their first party, the "Frosh Frolic" was a tremendous success, topped only by their party for the school, "Comic Capers." This was acclaimed by all as one of the finest parties HT has ever had, and remains as the only school party ever given by a single class.

The sophomore year found them digging into the routine of high school. Success came as the Frosh-Soph took the co-championship in football, and later, in their class party, "Eromohpos Morp."

With the junior year, "outstanding" was the word again as football season saw twelve men of '53 letter in becoming the West Suburban Champs. The annual junior girls' dance was a memorable affair; the class party came and went for another year; then the big thing was the Prom. As money-making projects, the class sold tickets for the Christmas Tourney and food at the Sectional Tournament. In May the Junior Prom was held at the Hinsdale Golf Club followed by a trip to the Dunes the next day. The first year as upper classmen had officially ended.

And then '53—their year—was finally upon them. The seniors started their final year with the class party, "The '53 Carnival," at which a real, live car was raffled off. Next was the senior class play, "The Queen's Husband," and then, selling food at the basketabll festival. It didn't seem possible that graduation had actually come and the four years at HT were over.

Perhaps the thing the class of '53 will be most remembered for is their terrific sense of humor. No matter where they were or what they were doing they always had the proverbial "barrel of fun," while at the same time, they were getting things accomplished. Their class spirit was always tops, their talent, among the best. In brief, the slogan was "Fifty-three, that's for me!" How true it was.

The senior class had for its guides: Fred Borsch, president; Phil Dressler, vice-president; Jean Fischer, secretary; Loren Scheer, treasurer; Marg Hohl and Tom Reynolds, social chairmen, and Mr. James Fowler and Miss Patricia Zengler, advisers.

The Class of 1953

ELIZABETH JANE AGRIMONTI

Liz is an active participant in GAA, GR, and Pep Club. As a junior she was a member of the publicity committees for the Christmas Tournament and the Movie Benefit. She was a member of the Sportsmanship Committee in her junior year. Interested in sports such as basketball and volleyball, she has many hobbies including riding, art, ice skating, and tennis. Her future plans include attendance at junior college.

JAMES ALBERT

Jim is one of the most industrious boys in the class for he has spent most of his spare time on an after school job. His activities and carefree ways have won him many close friends at HT. His hard working ways are bound to make him an outstanding worker in any field he chooses.

GAIL ALLEMANG

If you see a girl with a dozen notebooks thrust under her arm while running down the hall, you'll know she is Gail Allemang, one of the busiest girls in HT. Well known for her "terrific" piano playing and artistic talent, she has twice served as Student Council secretary. Her spare time is taken up with horseback riding or swimming. An active GR board member, Gail will be busy next year at Bradford Junior College.

PATRICIA ANN ARNOLD

If you look at the posters around HT, you'll find Pat Arnold's name on a great many of them. This hard-working, cute girl has given much of her artistic talent to Youth Center and HT. Pat's biggest thrill was winning the football conference title. Endowed with a very fine voice, Pat is going to study at the Conservatory of Music in the future.

ROBERT AUSE

Bob came to us from Oak Park in his junior year. Since his arrival he has made quite a name for himself and hundreds of friends. Because of his terrific personality, Bob is one of the most popular boys in school. He played golf all four years in high school and football his last two years. Our Student Council treasurer's greatest thrill was moving to Hinsdale. He plans to attend Iowa State or Christian College.

GORDON AXON

Gordon is the quiet blond fellow who has made many friends since coming to HT in his sophomore year. He enjoys Spanish and is an active member of Spanish Club. He also participated in track as a sophomore. He enjoys skiing and takes pride in his skill as a marksman with a rifle. After graduation he plans to go to the University of Idaho or to Oregon State where he will major in animal husbandry.

BARBARA BAILES

Barb, the sweet girl with a smile in her constant possession, has been active in GAA, GR, and Pep Club. Being serious-minded as she is, records, piano playing, eating cheeseburgers, and dancing are her favorite pastimes. Michigan State will be seeing four years of Barb's life. GAA, GR, Pep Club 1-2-3-4; General Assembly 3-4; Assembly Committee Chairman 4.

DONNA BARBER

Donna has been active in all three girls' clubs as well as Spanish Club and Student Council committees. Her spare time is used for sports activities and the Safety Council. Carleton College will claim her after graduation. She hopes to become an elementary teacher.

HOWARD BAUER

If you're looking for a Class A pitcher, your best bet would be Howie. While pitching for the Hinsdale Nine he has thrown quite a few shutouts and has been one of the most feared moundsmen in the Conference for the past two seasons. In whatever field Howie may venture he is bound to be a success for he is a Class A guy from head to toe.

MELISSA BEATTY

Much better known as "Liss," Melissa is one of the nicest kids in HT. She has had many interests in high school including the three girls' clubs and membership on the publicity committee of Student Council. As for her biggest thrill in high school, the one event which she remembers most was when she received a Kentucky cream from Mr. West. Next year she plans to attend the Katharine Gibbs School in Chicago.

GARY BENEDICT

Gary came to HT from Colorado in his senior year and immediately made a big hit with everyone. What Gary lacked in size he certainly made up for with a keen sense of humor and artistic ability. He will always remember going to the Colorado State basketball tournament as a member of the Estes Park squad. After graduation Gary will enter college.

PATRICIA BIRR

Pat is very interested in sports as shown by her participation in GAA baseball, basketball, and volleyball. Besides these activities, she has also found time to take part in GR and be a library assistant. As for future plans, she would very much like to enter a career of selling, preferably cosmetics.

The Class

RALPH BOCINSKY

"Bos" has been with us all four years of high school. He has joined Student Council Publicity Club and Science Club in his freshman and sophomore years. Ralph has participated in frosh football and tennis. He is very fond of horses or any kind of animal. He will always remember working at the sectional tournament in his junior year. In the future Ralph plans on going to the University of Illinois.

ROBERT BORMANN

Although Bob has spent his four years at HT in a quiet way, he will be remembered for his happy-go-lucky attitude. Among other things, Bob will always remember "peeling around" with the boys and his Saturday night adventures. Exchange assemblies will always stand out in Bob's mind whenever he thinks back on Hinsdale after graduation.

FREDERICK BORSCH

At HT we proudly acclaim Fred as one of our outstanding citizens. To mention a few of his accomplishments, he was both freshman and senior class president, vice-president of Student Council his junior year, and was the 1952 Governor of Boys' State. Fred has many hobbies which include "dabbling" in sports, which he does very well, reading books, and listening to music. His biggest thrills have been knowing the kids in the Class of '53 and winning the intramural championship in basketball. We all agree that Fred is the man most likely to take over Eisenhower's job.

MARY ANN BORSOM

Mary Ann will always remember being the only girl in her physics class as her biggest thrill in HT. Her main interests have been horseback riding, drawing, and Spanish. Mary Ann's greatest ambition is to become a veterinarian, and she plans to further this at the University of Illinois next year.

WILLIAM TERRENCE BOSWORTH

Joe has the nickname of "Corky" for certain reasons. Corky participated in basketball four years, tennis four years, and cross country two years. Joe's biggest thrills have been playing in the New Year's Day game and beating Fred Borsch in poker. His main hobbies are common among most boys—cars and girls. Joe would like to go to Purdue and then enter engineering or teaching.

MARY BOYCE

Mary spent her freshman year at Irvington High School. In her three years at HT she has been junior class treasurer, co chairman of Sportsmanship Committee, secretary-treasurer of band, treasurer of the Illinois Association of Student Councils, and editor of *High Times*. Some of her future plans include Swarthmore, marriage, and twelve children. Mary's biggest thrill was Trig class—"21 boys and Mary!"

THOMAS BRAUN

Tom is one of the more active kids in HT. He was treasurer of his freshman class and Student Council Publicity Committee chairman his senior year. He was assistant editor of *El Diablo* and co-sports editor of *High Times*. Tom's biggest thrill was running for Student Council president. He likes to fool around in the chemistry lab. Tom would like to study medicine at Princeton.

RICHARD JOSEPH BRAZA

Being the only boy in HT with the odd nickname of "Itch," Rich has hunting and fishing as his favorite pastimes. Wrestling and orchestra are also tops in his school activities. After HT lets "Itch" go, he plans to join the Air Force as a continuance of his CAP activities.

FREDERICK GILBERT BRESNAHAN

Surely you've all seen a boy that was really outstanding on the basketball courts of the Conference. That's "Derf." Fred is a boy who is a real leader in both sports and school. He likes tinkering with other people's cars and like most boys, he likes girls. He will always remember going to Florida with Fritz and Pete, and cleaning up after the sectional tournament in his junior year. Two years in cross country and three years in track are other of his accomplishments. He plans to attend an engineering school.

PHIL BROCKINGTON

"Brock" has gone to HT all four years, and he has participated in football in his first, second, and fourth years. Phil has a most unusual hobby, singing in the school choir and at church. He really had quite a neat time singing in the Fox Valley Festival Choir last May. Brock is planning on taking a liberal arts course but is undecided as to which midwestern college he should attend.

MARY RUTH BUGLER

If you've made many phone calls in Hinsdale and have heard that "voice with a smile" say, "Number please," at one time it was probably Bugs. In her four years she has been a freshman class officer, treasurer and president of Pep Club, and a member of *Sequins* staff, General Assembly, and Career Girls Club Board. Next year De Pauw will lay claim to this perfectionist, but she will always remember being a member of the Queen's Court this year at HT's Homecoming.

RHODA BURLEY

The girl who has been responsible for the wonderful feature page in *High Times* this year is Rhoda, who came to HT in her junior year from Mason City, Iowa. She immediately got into many activities and this year was feature editor, had a part in the senior class play, and was a counselor's monitor. Rhoda was also one of the lucky students who went to Mexico last spring. We know Rhoda will be a success at Iowa State with her wonderful personality.

DALE BUSCH

Dale is the tall, quiet fellow who always has a warm smile on his face. He has been active in school affairs since coming to Hinsdale in his freshman year from Arlington Heights. He was vice-president of the class of '53 in his sophomore year. He has been active in Math Club, Student Council committees, and was chairman of the Lost and Found Committee. Basketball, has taken up his time in his last three years. He had one of the lead roles in the senior play. Dale plans to go into the field of science in college.

ALLAN CARLSON

Al came to us in his junior year from Lane Tech High School. His main hobbies are working on cars and hunting. Al also participated in football while here. He got a big kick out of winning the West Suburban Conference Championship in football. Al plans on being a college boy and take up business training and advertising. His classmates wish him lots of luck.

ARTHUR CARLSON

Most of Art's time has been spent with an after-school job. When he isn't working you can find Art playing one of many sports for he enjoys them all. He will always remember those early morning blues he got from getting up at the crack of dawn to attend his daily classes. Art will have little trouble in the future, for his ambition and friendly attitude will bring him success.

LINNE CARLSON

Linne came to HT in his sophomore year from La Grange. Golf, guns, and hunting top his list of hobbies. His biggest thrill was beating LT in basketball in 1950. Planning to head down state to the University of Illinois, Linne will always be remembered for his fabulous parties at which almost everyone arrived. Football 2-4, Wrestling 2, Golf 3-4.

RONALD CARLSON

Ron is one of the well-known, well-liked boys in the senior class. He comes from Clarendon Hills. Ron's pleasant smile and good personality have made him lots of friends in high school. Dogs and horses as well as other animals interest him. He has been a member of Slide Rule Club, band, and orchestra. He went down state as a member of a musical ensemble. Ronnie plans to study civil engineering at the University of Colorado.

RUSSELL ROBERT CARLSON

Big's artistic talents have brought him many friends at HT. Besides *High Times* and the Art Club he has participated in cross country and basketball. When he leaves Hinsdale he plans to continue study in a branch of science and in commercial and advertising art at the University of New Mexico. After college Russ would like to work in the Chicago Natural History Museum where he has worked during summer vacations.

JANE CHRISTENSEN

Jane will always remember being in the Queen's Court for Homecoming 1952. Sally was a sophomore class officer, on the GR board four years, was GR treasurer and vice-president, and was active in tennis her first two years. Often teased about "loving Eddie," Jane is going to De Pauw to get away from it all.

MARILYN STEELE CLARKE

Marilyn has been a member of GR and GAA and a very active member of Pep Club. Student Council work and being president and vice-president of our class have also been some of Marilyn's accomplishments. Whenever she has any spare time it is used for sports or her foreign and American money collection. Smith College will claim her for four years and then a fifth year somewhere else is in order for her to receive her master's degree in elementary education.

DOROTHY CLOOS

Known as "Reet" by all her friends, Dorothy is one of the friendliest persons in HT. During her four years here she has participated in GAA baseball and basketball and been a member of GR. She spends most of her spare time at her hobby which is writing to many pen pals. As for future plans, she would really like to attend college.

PETER DEWITT COOK

Pete is surely the envy of all the boys in school because of his car. Once upon a time he picked up the nickname of Nugee and he still doesn't know why. Nugee likes to collect jazz and boogie records for a hobby. He also likes to mess with cars. Pete was the chairman of the 51-52 Student Council electoral system. He would like to attend either Michigan State or Cornell U.

SUE DAVISON

Sue has been very active in all three girls' clubs and is president of chorus class. She spends her spare time singing or participating in sports. It was a thrill for Sue when she received one of the leading roles in the senior class play. After graduation Sue plans to attend the American Conservatory of Music.

BRICE DE VOS

Brice seems to have picked up a nickname that doesn't fit his personality, "Pixie." He has always been very much interested in sports. Brice has participated in football, basketball, and track all four years of high school. He was social chairman of his class as a freshman. This year he was Student Council social chairman. On the Youth Center board this year, Brice was chairman of the sportsmanship committee his junior year. Pixie plans to be a dentist in the future.

The Class

RUTH MARIE DIETRICH

"Woolie" is the cute little dark-haired girl who will always be remembered for her good-natured disposition and ability in art. Before entering HT in her freshman year from St. Louis, "Shorty" attended seven other schools but finally settled in HT. Ruthie plans to go to Monmouth for the next two years and after that she'd like to enter the world of art.

ANDREW DOBLE

Andy is one of Hinsdale's skilled mechanics. He takes pride in helping others with their problems concerning "hot-rods." He has been active in CAP and is one of the few remaining members of T. Q. Harrison's Debate Club. In previous years Andy has participated in wrestling and football. His hobbies include mechanics, rebuilding cars, woodworking, electricity, landscaping, and aviation. Andy's plans for college are uncertain.

JEAN DOLEZAL

Jeannie will be remembered for a long time around HT for the wonderful job she did as captain of the cheerleaders this year. She has been a very busy gal at school. Besides being a cheerleader she was secretary of her junior class, GR publicity chairman, a member of the three girls' clubs, and a Student Council representative. Everyone liked little Jean, and she liked everyone. Her favorite hobby was watching a certain guy to see how much he could eat from her refrigerator. Next year she plans to work or to attend business college.

HARRY FILMORE DOWLING, JR.

Fil entered HT at the beginning of his sophomore year. He participated in soccer when a freshman at a school in Washington, D. C. He got quite a thrill out of winning the Conference Championship in football last year. Fil has as hobbies collecting popular records and stamps. Last year he was class editor and this year school editor of *El Diablo*. He plans to go either to Oberlin or Swarthmore next year.

PHIL DRESSLER

Phil will be remembered for the fine job he did as senior class vice-president. He was a very busy guy at HT but he found time to become a consistent ice box raider at a certain girl's house. He participated in many activities and lettered in wrestling. If there was a job to be done Phil was always glad to do it, and he did a good job too. Next year he plans to take engineering at Illinois or Knox.

JEROME DUNNING

If you have ever walked into an English class these past four years and have seen a tall fellow giving a speech on guns, it was probably Jerry, for he has one of the finest gun collections around these parts. Besides being famous for his guns Jerry also went out for football in his freshman year at HT. Although he is undecided as to what field he will enter, Jerry will probably be in college come next fall.

CHARLES ERBON

Chuck will always be remembered in Hinsdale as one of the friendliest kids in HT. His main interests have been Photography Club of which he was treasurer, and sports in general. This year he is the editor of our year-book and he has really done a swell job. His future plans aren't definite yet but he hopes to attend college next year.

JOHN ERION

Jack will be remembered for his fine collection of guns and his ability to tinker with cars. One thing that stands out in his mind is freshman initiation week and the good times he had with the fellows. After graduation Jack would like to take a trip to California followed by four years of college.

MARION ESPOSITO

"Espo" has participated in GAA, GR, and Home Ec. Club. She enjoys dancing as a hobby. After graduation she plans to take a trip to California to bask in the sun and to get a job.

BETH EWALD

Beth has participated in the girls' clubs all four years and has been active in bowling and riding. While her favorite pastime at the moment is pestering John, in the future she hopes to become a nurse.

JEAN FISCHER

Being elected secretary of the senior class was just one of the many nice things that happened to this deserving girl. Jean has worked hard at HT but has found plenty of time to be one of the friendliest, fun-loving girls in school. This year she is GAA treasurer. In her junior year she was Latin Club treasurer. She has been a member of the three girls' clubs and other organizations. A college somewhere in the midwest is included in Jean's plans for next year.

RUTH FLORING

Ruthie is one of the girls who plans to enter the field of business after graduation. She likes sports, especially bowling, and is considered quite good at roller skating. Ruth will always remember graduating as her biggest thrill in high school.

of 1953

*Lots of success
in the future!
Judy*

HOPE FORD

Happy likes to spend her extra time doing caricatures and enjoyed herself at the French party by sketching the faculty. While at HT she has been active in Art Club and on the Lost and Found Committee. After graduation she plans to go to college to become either a teacher or a journalist.

JUDITH FUIKS

Judy is really one of the swellest kids who ever went to HT. Her main interests have been in the fields of art, sports, and Spanish. According to Judy her biggest thrill was getting a 1+ for a biology notebook from Mr. Poppenhager. As for future plans, Judy would like to attend the Art Institute for one year and then go to the University of Illinois to study Occupational Therapy.

CAROL GIBBS

When Oak Park lost this "cow-girl" in 1951, HT was blessed with a thousand volt live wire. Carol, as co-chairman of Spirit Committee, generated not only spirit but also she has had 53'ers doing the shag or bunny hop. Working hard on Pep Club board, she has proved herself an extremely dependable gal to have around. No one will ever forget the Black Jag and Carol's great (?) jokes. Kansas U will soon claim this girl of many talents.

JOHN GOTTERMAYER

Jack's wonderful personality has made him many friends. Active in Music Club, Math Club, Science Club, Safety Council, and CAP, Jack likes hunting. As a hobby he collects guns and knives. His biggest thrill was watching La Grange lose. Jack is sure to win many friends at Northwestern U or Purdue where he plans to study civil engineering.

MARILYN MARLENE HAASE

Marilyn, who is one of the friendliest kids in HT, came here in her sophomore year from La Grange and really got into the swing of things. She has been copy editor of the *High Times* this year, a member of the three girls' clubs, and has participated in numerous other organizations. Among other things, "Marlie" also finds time to play the piano. Next year she would like to attend either Purdue or the University of Illinois.

EUGENE HALLADAY

Gene is the boy with the wrecks that he calls cars. He will never forget last summer when he was working at the Republican Convention with "the boys." Sports and track are Gene's alley. He has participated in football, basketball, and track. "Playing in the football games was a lot of fun, but those games we hold on New Year's Day really take the cake," he says. Besides fooling around with cars, model railroading is his hobby. If you're ever around Carleton College next year look up Gene for that's where he'll be.

RODNEY HAUBENREISER

Rod is the peppy boy who has a good word for everyone. You hardly ever see him without his friendly smile. Fishing and just plain sports rank high on his hobby list. His favorite sport is football and he participated in it his last three years at HT. His biggest thrill was being on the Red Devils' championship football team in 1951. He plans to attend a trade school after leaving high school.

JANICE HENDREN

Jan came to us in her sophomore year from Arlington Heights Township High School and has been very active in club and activity work. Her future plans include a summer at the Inter-American School in Saltillo, Mexico, and then a linguistic job.

AUDREY HENKEL

Audre, who is better known as Jinx to her closest friends, has had many interests at HT. These have ranged from sports, including Tumbling Club and roller skating to modern dance. She will always remember taking part in the Modern Dance Convention as her biggest thrill in high school. After graduation Jinx plans to enter the field of business.

ELSIE HENNINGER

A very able member of Leaders Club, Elsie has also participated in many sports around HT. As Elsie liked meeting people, it is very fitting that she should like being a telephone operator, in which work she hopes to continue.

RONALD HENRY

Friendly, dependable Ron can never be thanked enough for his willingness to help whenever someone needed to work on a project. Through hard work and a fine personality Ron has won numerous friends at HT and he will certainly be missed after graduation. Ron is bound to be a great help to some future employer for he has just what it takes to become a success.

MARGARET HOHL

Marg, the dark-haired social chairman of the senior class, has been a very active member of HT. Besides being a cheerleader three years and taking much interest in Student Council and the three girls' clubs, Marg loves to just sit and paint or play the piano. She plans to attend a western college.

The Class

JOHN HOLCOMB

Hokie is the fellow who has been to almost every school across the country. Cars seem to be his favorite pastime. Having many friends, John will never forget burning the big "H" in Maine's football field. Yale or Wisconsin will claim him when he leaves the halls of HT. He has been on the Safety Council this year.

NORMAN HOLLY (not pictured)

Norm is one of the more active kids at HT. He has participated in football and basketball and is a great cheerleader. His pep and enthusiasm make him fun to be around. Norm has served Student Council well and was on Spirit Committee. One of the few nicknames he's picked up is "Uncle Normsies." Norm likes art in general, drawings of all kinds, but especially cartooning, which is one of his hobbies. His biggest thrill was leading his first cheer in front of an assembly. Norm plans to become a business man.

SUSAN HOYLE

Sue is wholly confident of a successful merchandising career. She plans to go into retailing but meanwhile she has participated in GAA, GR, and Pep Club, as well as *El Diablo* and *High Times*. Her hobbies are giving parties and matching wits with Gail. Her biggest thrill at HT came from beating La Grange in anything.

JANICE JOAN HROZNY

Janne will never forget the Modern Dance Club and when she participated in the Teachers' Convention in 1951, and HT will never forget her dancing. Tiny, petite Janne says her favorite hobby is "Matt Morgan" but she'll also take roller skating and surf-board riding. After graduation she plans to become an airline stewardess or a housewife.

ROBERT HULKA

Bob is the studious fellow with the black hair. He has made a lot of friends in HT and is known for his warm smile. He has belonged to Slide Rule Club, Science Club, and Spanish Club. In his sophomore year he participated in wrestling and track. Bob has no particular hobby but seems to have the "teaching blood" running through his veins. He plans to attend teachers' college at De Kalb.

WILLIAM JACKSON

Bill is one of the bigger boys of our school. He stands six feet four inches. Well known and well liked, Bill is a valuable addition to HT. His interests include sports such as basketball and track. He also likes radios and airplanes as hobbies. Bill came to us from Asheville school in his junior year. He also went to Geneva High School. Bill plans to take up engineering in college.

DOROTHY JENSEN

LENORE WEISS

Winning the bucket from Downers Grove was the biggest thrill of this quiet girl. An active member of all three girls' clubs, Lenore also enjoyed working hard at the Christmas and spring tournaments. She plans to become a registered nurse and will be in Northwestern University next year.

HENRY GEORGE WETZLER, JR.

Hen is the intelligent fellow who loves mathematics and Spanish. He loves traveling and his greatest thrill was going to Mexico last summer with the Spanish group. He has participated in basketball three years and baseball one year. He plans to attend an engineering school after leaving Hinsdale.

DAVID E. WHITE

Dave is one of the more quiet boys in our senior class. You probably saw him running hard in cross country the past three years. He has also been a member of Foremen's Club. Dave's main hobby is designing small homes. He has taken drafting all four years in HT. Dave will go to college, and everyone expects him to become an architect.

BRUCE F. WILLIAMS

Willy is the handsome fellow who worked hard to grow a beautiful red beard for the senior class play. His biggest thrill was playing Major Murgatroyd in the operetta in his sophomore year. Willy participated in football in his first two years and track in his sophomore and junior years. Next year will find him in college.

JOAN WINKLER

Joan might appropriately be named the girl with "the laugh." This blonde tennis star is often disrupting classes with the bell-like quality of her voice. Talk about horseback riding and she'll describe the time one of Jim Kraml's horses almost threw her. After being a member of the three girls' clubs, on GAA board, a member of Student Council, and the capable secretary of Latin Club, Joan ought to be a big hit at Illinois.

JERRY WINTER

The words athletic, likeable, and quiet describe Jerry perfectly. HT will always remember his subtle humor and priceless expressions. This popular football center has been on General Assembly and lettered in wrestling as well as football. Working at the Republican Convention and the celebrations with "the boys" will always be his most memorable experiences. Next year he will probably be at Colorado.

of 1953

RICHARD WITT

Although much of Dick's time has been spent working after school, he was ambitious enough to participate in track, wrestling, and cross country during his sophomore year. He was a faithful member of the Projector's Club and has a lot of mechanical ability.

MARGUERITE WOOD

Margie came to us from St. Sebastian High School in Chicago. She has many interests among which are horseback riding, tennis, dancing, skating, and drawing. She plans on a secretarial job after finishing high school and business college.

JUDITH HELEN YETTER

Judy came to HT for her senior year from Kelly High. She has taken part in Art Club and Stenos Club along with joining all three girls' clubs. She is active in bowling, tennis, volleyball, and baseball. Art is her favorite hobby. Next year she plans to attend business college.

JOHN ZAVERTNIK

Jackson's jokes will be remembered by all who knew him. The moments he and Bob would get together and "clown it up" won't be soon forgotten. Football and wrestling have taken up much of his time in high school. He has been a member of several clubs and Student Council Committees.

LARRY ZEMAN

Larry says that when he's through with high school or when high school is through with him he would like to travel and then go to college in Florida. Zemo seems to have many hobbies like hunting and fishing but his biggest is "a kind of special girl." If you remember the train that came down HT's halls last year, Larry says his biggest thrill was being its engineer.

GEORGE MARVIN ZOLL

Marv came to HT from Harvard High in Chicago this year. While at Harvard he was Student Council representative, captain of their football team, and member of H-Club. He is also a member of H-Club at Hinsdale since he lettered in football. Luke's hobby is the study of the history of the War for Southern Independence. Baylor University in Texas is where Marv expects to obtain his higher education.

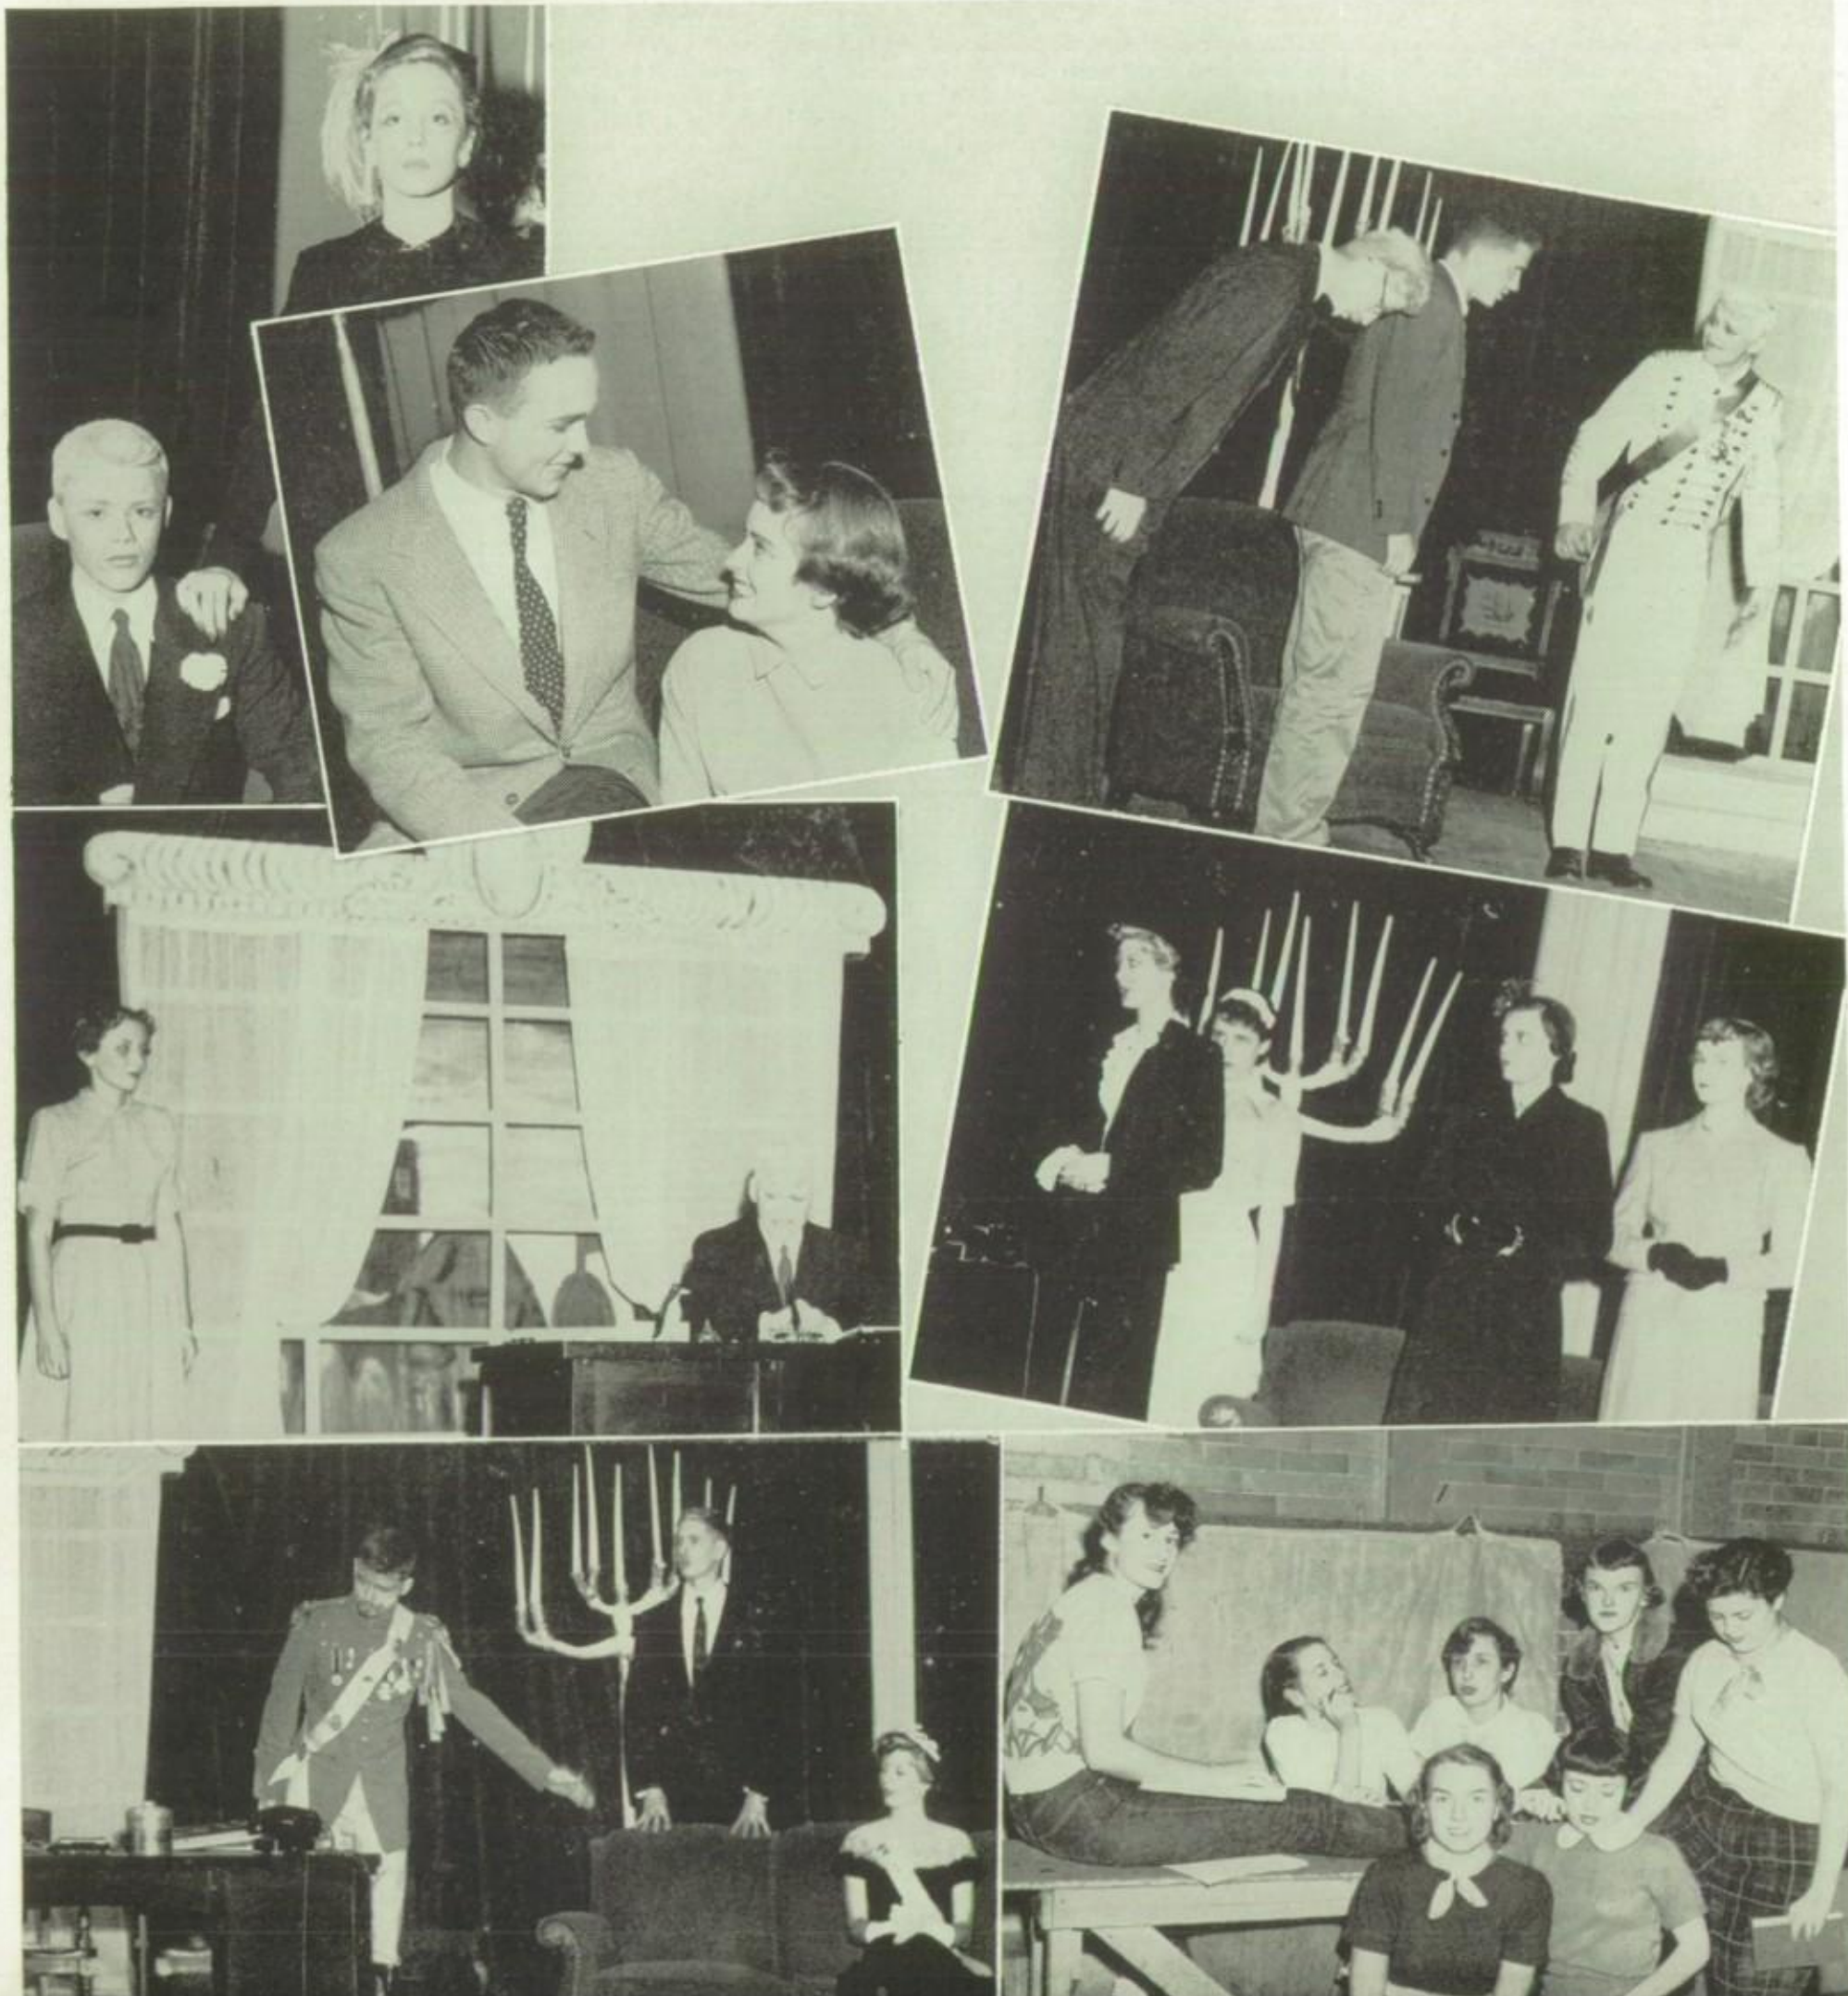

"The Queen's Husband"

by Robert Sherwood

November 14 and 15 the senior class presented a romantic comedy by Robert Sherwood. "The Queen's Husband" concerns a mythical kingdom and problems of the King trying to run his people while everyone else tells him how to do it. The love life of the King's daughter with his young secretary while she is engaged to marry another; Phipps, the little man who stuffily announced everyone and always got a laugh; two soldiers getting a laugh when they carried in the sand bags; General Northrup whose loud voice reverberated everywhere; the great arguments between Laker and General Northrup with the arrival of Fellman and Lord Birten always just in time to stop a fight; the demanding Queen; Ladies in Waiting, Petley, and Major Blent—all these will be remembered by those who saw the play. The class play will always be among the fondest memories of the seniors because everyone had a part in making it a fine production under the capable direction of Miss Patricia Zengler.

The Junior Class

Junior Class Officers

B. Cotter, R. Hain, S. Woods, M. Melin, R. Hackenberg, F. Houck.

To start the ball rolling in their junior year, the class of '54 elected Bill Cotter president, Fred Houck vice-president, Sue Woods secretary, Ron Hain treasurer, and Martha Melin and Dick Hackenberg social chairmen.

Under their capable leadership and with the aid of their sponsors, Mr. Allen W. Baker, and Mrs. Ruth Osborne, the class gave a well planned party. They did their usual good job by selling tickets to the Holiday Basketball Festival and handling the concessions at the Regional Tournament in March. An unforgettable Prom finished up the year.

The class is looking forward to its last year and hopes it will be filled with as much fun as their junior year.

The Sophomore Class

Sophomore Class Officers

P. Remedi, J. O'Brien, C. Spanier, C. Freeman, S. Symonds, K. Merrick.

With their freshman year over and since they were well acquainted with HT, the sophomore class immediately fell into the swing of things. They were very active in sports, school activities, and social events. They displayed plenty of hard-fighting spirit in their football and basketball teams.

Striving for class unity, the sophomores sponsored activities in which everyone could participate. Several class parties were held during the year. Each was well attended.

To lead them through their second year at HT, the sophomores elected: Corky Freeman, president; Sally Symonds, vice-president; Caroline Spanier, secretary; Jim O'Brien, treasurer; and Kitty Merrick and Peter Remedi, social. chairmen. Sponsors were Miss Nellie Cline and Mr. Walter Sherman.

The Freshmen Class

Freshman Class Officers

J. Allen, R. Blust, R. Evans, E. Holderness, D. Campbell, R. Winkler.

At the beginning of the year the doings and affairs of high school seemed rather strange to the freshmen but they soon adjusted to this and eagerly joined the clubs and other activity organizations in HT.

Full of fun was the class party of dancing, refreshments, and entertainment with both individual and group talent featured.

The class was guided by its capable officers: Don Campbell, president; Richard Winkler, vice-president; Judy Allen, secretary; "Beanie" Holderness, treasurer; and Peggy Effinger and Bob Blust, social chairmen. Ron Evans was Student Council member-at-large.

Promising athletic teams and an abundance of leadership seem to point toward a promising future for the class of '56.

THE HINSDALE STUDENT CREED

As a student of Hinsdale Township High School, I believe that the reputation of the school and my self-respect as a member of the student body depends upon my attitude and behavior. I shall attempt at all times:

To exhibit good manners, good speech, good sportsmanship, and friendliness toward all.

To strive for high scholastic standing and to support school activities to the best of my ability.

To honor, respect, and cooperate with my school, my teachers, my fellow students, and my community.

Therefore, may the experience of my four years at Hinsdale High School be always an inspiration for better citizenship.

Student Council...

The organization that provides the student body with a strong democratic government is the Student Council. Composed of thirteen members including the regular Student Council Board officers, the four class presidents and four members-at-large, this board has worked to make our high school a better one for its members.

Student Council business is conducted and transacted through General Assembly meetings. The General Assembly consists of the Student Council Board and Cabinet and a representative from each home room. The Cabinet is composed of the chairmen of the various committees and considers problems pertinent to their division. The Home Room representatives carry back to their home rooms important facts and problems from the General Assembly. It is in this way that our Student body is kept well informed of the work of its Council.

Among the many worthy projects sponsored by Student Council are the Red Cross and TB drives, Easter Seal sales, and the used book sales, which enable the students to sell their books at the end of every year. The Council each year pays 5c on every activity ticket sold to help make student insurance available. In addition, the all-school mixers and social hours have been made possible only through the hard work of this board.

In a most democratic fashion, elections are conducted toward the end of the year to elect the next year's officers. Following a week of vigorous campaigning, votes are cast and the new officers are presented in the inaugural assembly. HTHS was made even more prominent this year by having been the parent school of Fred Borsch, the president of the North-east-Northwest District Association of Student Councils.

Monitors...

A new monitor system was started this year. The plan is to have three monitors each period located at strategic points in the building to serve as guides and hosts. Monitor reports are filed each period, and corrections are made immediately of any unusual circumstances which might disrupt the smooth operation of the school. The new system has been a great improvement over the old.

Under the new system, office secretaries, counselors, and teachers train and direct their own monitors and student secretaries. This method fixes the responsibility and makes it possible to check upon the administration of specific duties.

Girl Reserves... Pep Club

To honor God, our country, and our community, and to help other girls are the aims behind Girl Reserves. Following this goal, Girl Reserves, as a charitable organization, attempts to build better citizens through civic, social, and charitable causes. The Big Sister-Freshman teas start off the year followed by the Induction Service and Thanksgiving Assembly. The Christmas Formal is one of the biggest social events as is the traditional Spring Bazaar and Style Show. To finish up the GR program for the year, the girls sponsor the Easter Assembly and award a worthy senior girl a scholarship. A new project this year was making decorations for the hospitals in Korea. This year's officers were: Alicia Tarrant, president; Jane Christensen, vice-president; Bart Bridges, secretary; Pamela Tarrant, treasurer. Sponsors were Miss Jane Reimbold and Miss Virginia Warne.

Pep Club tries to further school spirit and sportsmanship. Their first big event this year, after the membership drive, was Homecoming. This year, besides the Football Queen and attendants, a Queen's Court was introduced and the Queen was crowned at Pep Club's biggest annual dance, "The Foot Ball". The club sponsored the second school mixer at the beginning of the year and the first social hour in January. They cooperated with GAA and GR in giving the 3-in-1 Dance and Banquet in the spring, along with selling food at the football and basketball games and sponsoring the usual Pep Club cheering section. Officers were: Mary Bugler, president; Marilyn Clarke, vice-president; Barbara Holmberg, secretary; Pat Stewart, treasurer; Mary Bosworth, food chairman. Sponsors were Miss Gertrude Finnegan, Miss Louise Ferris, Miss Mabel Holle, Miss Shirley Jameson, and Miss Jo Anne Goetz.

Cheerleaders

Keeping up the spirit and sportsmanship of the school have been the primary duties of our cheerleaders. This year a workshop program was set up for tryouts and training of cheerleaders. In this way more people have been given a chance to participate.

Varsity cheerleaders are headed by Jean Dolezal. Members of this group are Margot Dow, Barb Holmberg, Carol Knight, Martha Melin, and Mildred Karstens and Vikki Viskniskki, substitutes.

On the Frosh-Soph squad are Judy Erikson, Bunny Clark, Billie Muller, Judy Allen, Barb Bunker, and Kitty Merrick and Peggy Effinger, substitutes.

Norman Holly and Chuck Thayer added a lot to the squad by being its only male members. Both have contributed heavily in unique and novelty effects.

Band

Our HTHS band has had about 75 members this year, a large increase in enrollment over the last few years. This group presents many programs for the school and community during the year in addition to their series of public concerts in the spring. They played for all home football games and are divided into two groups which alternate in playing for the basketball games.

Student directors, headed by Brad Arthur, take an active part in leading the band, especially at the games and they also assist with band and orchestra classes at junior high. Officers of the band this year have been: George Baumrucher, president; John Little, vice-president, and Margot Dow, secretary-treasurer. Mr. G. Austin Kuhns is director.

For six years our HTHS orchestra, directed by Mr. G. Austin Kuhns, has won highest rating in both the District and State Orchestra Contests. The orchestra, in past years, has played for class plays, operettas, and assembly programs in addition to presenting a public concert series each spring. This fine group has been called upon to play for the school and community on many other occasions too. Officers for the past school year have been: Joe Vitt, president; Brad Arthur, vice-president, and Margot Dow, secretary-treasurer.

Chorus and Music Club

The chorus classes under the capable direction of Miss Ina Mae Sanders provide wonderful opportunities for students who like to sing and are interested in music. They contribute to many of our school assembly programs, including Armistice Day, Thanksgiving, Christmas, and Easter assemblies. This year HT had representatives from the chorus classes in the All-State Chorus at the University of Illinois. During the Christmas holidays they sing for many local social organizations and church groups, and this year small groups and individuals performed for the Toastmasters' Club and the IEA Delegates Assembly at the Sherman Hotel.

The Music Club meets once a week when the members hear records, outstanding musicians from your own friends, and outside performers. Some types of programs which have been proposed are a concert, an opera, a musical play, and a ballet. Officers for this past year have been: Gertrude Slager, president; Lynne Brouwer, vice-president; Sarah Evans, secretary; Theckla Meints, treasurer; and Jeannette Pettet, program chairman. The club is sponsored by Miss Ina Mae Sanders.

GAA and Modern Dance Club

The Girls' Athletic Association started the year with their annual bonfire and snake dance. Some of the other events on the calendar have been the annual Christmas Caroling Party, the Pop Square Hop, the Valentine Dance, and the Award Tea. The organization sold football and basketball pencils, decals, and Red Devil pins. Most important of all was the sponsoring of all girls' sports activities throughout the year.

At the close of each season, GAA held "championship" games by continuing the Red and White Team competition in its many sports. The winners of these games received points towards the All Sports Trophy for their team. This year freshmen and juniors competed as the Red team against the sophomores and seniors who made up the White Team.

Officers have been Betsy Pridmore, president; Judy Warren, vice-president; Judy Long, secretary; Jean Fischer, treasurer, and Barbara Bailes, social chairman. Sponsors were Miss Mabel Holle, Miss Louise Ferris, and Miss Shirley Jameson.

Modern Dance Club was organized last year under the able leadership of Miss Louise Ferris. It meets every Wednesday afternoon in the dance room. Modern dance is an interpretive dance which helps to develop coordination and poise. The group gave a program for the Forum of Union Church on some different steps used in modern dance.

Officers this year have been Marilyn Weiss, president, and Jane Lowden, secretary.

That trip to Mexico last spring has given many Spanish Club members a wonderful background. This year with the invaluable assistance of Mrs. Florence Gillette, its sponsor, Spanish Club has had a series of meetings that were filled with fun and fiesta. Christmas projects, pinatas, educational films, and lectures outline briefly the Club's activities. John Walraven was president; Dagmar Kocmond, vice-president; and Bonnie Ruthenberg, secretary-treasurer. Thanks go to Mrs. Gillette for sponsoring a club that makes learning Spanish so much fun.

The Projectionists are those boys who have given up their regular study hall time to show films to classes in the visual aids room. Under the guidance of Mr. Russell Helms, these boys learn valuable information about the operation and maintenance of projection equipment while performing a great service to the school.

Sponsored by Mr. Richard Hayford, the Frosh Math Club is an organization for all students who are taking first year algebra. At the regular Wednesday meetings interested students discuss and learn about many interesting things of mathematical interest which there is no time for during the regular class period. This year's officers have been: Bruce Croaning, president; Barbara Bunker, vice-president; Melissa Meyers, secretary, and James Bercher, treasurer.

Main purpose of Foremen's Club is to provide boys with leadership training in industrial arts classes. It operates as nearly as possible on a foreman's basis. The club consists of 13 members who assist Mr. Ray McAllister in instructing underclassmen. These boys also help out in the tool room and in keeping necessary records. The boys receive valuable experience for future positions in industry and skilled mechanical jobs or for advanced engineering studies. Officers for the past school year have been: president, Duane Knight; vice-president, Don Dehnicke; Dick Du Biel, secretary, and Don Severson, treasurer.

Stenos Club has been a very active organization again this year. Its membership is made up of senior girls taking shorthand II and secretarial typing. The main goal of the club is to prepare members for the business world.

Selling balloons at the football game last fall and a bake sale December 13 were money-raising projects for the purpose of purchasing a machine for the business department. Officers for the 1952-53 school year have been: Doris Maham, president; Rose Miller, secretary, and Laureen Odehnal, treasurer.

The Student Library Staff

Good student library assistants are a vital part of a good library program. At HT students work in the library from two to five hours per week. Their jobs vary from circulation assistant to shelving books, helping to process new books, working in the magazine stack room, and assisting with displays. Membership on this staff furnishes an opportunity for students to work with others in a service group, as well as giving them the privilege of vocational exploration.

Varsity Football

The Hinsdale Red Devils of the 1952 season played superior football from the first game through the last. Coach Dickinson's "fighting Devils" showed superb spirit, determination, and aggressiveness throughout the season. The boys this year had a lot to live up to because their predecessors, the seniors of last year, went through their season undefeated in nine games. Realizing the goal that they had to reach, the Devils fought to win every game and they wound up with a won seven and lost two record, the second best record ever established by a Hinsdale football squad.

With only two regulars returning from last year's squad, Coach Dickinson had a tough rebuilding job ahead of him in order to bring the Devils up to championship form. Possessing one of the lightest and smallest squads in history the HT Red Devils opened their season with a rousing 55-0 victory over Lake Forest before a capacity Hinsdale crowd. The Devils started rolling then, and the following Saturday East Rockford succumbed to defeat 32-13 in a bruising game that left us with an injury-riddled squad. Facing Maine the following week was almost an impossible feat, but our Devils showed tremendous spirit in losing 20-0 to the huge Maine squad. That loss was enough to ruin a squad and a season but Downers Grove was nosed out the following week in a terrific battle, our Devils winning the game 7-6, thereby winning the Old Oaken Bucket. Glenbard was our next foe and again we beat a larger, heavier, more

experienced squad 26-20 in a thriller. On the following Saturday Hinsdale fans ventured to La Grange, and there they saw one of the greatest games of the season, with the final score 13-6 in favor of La Grange. The score is not the complete picture because the Devils never before blocked, tackled, and ran as they did at La Grange that fall afternoon.

Knowing that they had completely outplayed La Grange the Devils set out to win their remaining games and to forget about their loss to the Lions. And win them, they did, as the Devils rounded out their season with three successive wins over Arlington Heights on Homecoming 26-0, Riverside-Brookfield 27-13, and York 14-6. 1952 was truly a great season.

Some of the proud stars of our Devils this year were: Gene Halladay, co-honorary captain for the Devils this year, and Bob Marek, a great little player, at the ends. At the tackle positions were Dick Low, a great senior player, and Jim Kraml, who will long be remembered. Playing guards were two all-conference selections: Bob Ause and Tom Wagner. At the center position was always dependable Jerry Winter weighing 145 pounds. Jerry was also co-honorary captain this year, elected by his teammates. At quarterback was Brice De Vos, an excellent ball-handler and runner; at the halfback posts were Bill Morrow, one of HT's greatest football players, and Howie Stulgin, a junior who played great ball. Playing fullback was Frank Stanicek, an all-conference selection and our "most valuable player," who was elected by his teammates.

On the defensive unit, Ralph Murdoch, Kelly Skinner, Larry Zeman, and Fred Borsch, all seniors; and Dick Hackenberg and Dick Pyles, juniors, all deserve recognition. Members of the coaching staff were: Harvey Dickinson, Russell Poppenhager, and Walter Sherman.

Playing a fine brand of football the Frosh-Soph Imps enjoyed a successful season this year. The over-all season record for Coach Russell McCarthy's boys was five wins and four losses.

Opening the season against a big and rough Joliet squad, the Imps lost 26-12. Coming back the next week against East Rockford, they achieved victory by a score of 38-6. Playing outstanding football, they trounced Maine 16-6 in their next game. After losing to Downers Grove in a hard-fought battle 33-12, the Imps beat Glenbard 33-6. La Grange and Arlington Heights then downed our boys 13-0 and 13-6 respectively in two thrillers. In the final two games of the season the Imps played superior football in downing Riverside-Brookfield 19-6 and York 19-0 on successive Saturdays.

The Imps had their bad days and along with bad breaks they lost some tough games that they should have won. All in all it was a good season for Coaches Russell McCarthy and Larry Hoff. With such stars as Dennis Krause, John Poswilko, Paul Morgan, Tom Klein, John Seul, Jim O'Brien, and Pete Remedi playing for the Imps this year, next year will undoubtedly prove to be a big year for the Varsity as these fellows graduate from Frosh-Soph to Varsity Football.

The wrestling squad of the 1952-53 season was one of the finest in recent years. With such stars as Tom Wagner, Jerry Winter, Paul Motta, Dave Mandel, Dave Thomas, and Fred Fisher, the varsity matmen finished with a record of won eight and lost seven. This record, however, is an excellent one considering the teams that Coach Sherman's boys wrestled. Top teams such as Joliet, Waukegan, Proviso, Evanston, Morton, Thornton, Blue Island, and Riverside-Brookfield were on the Devils' schedule.

Cross Country was a bigger sport than ever this year as more boys tried out than ever before. The season, as a result, was a more successful one. The harriers won three meets and lost seven, but these figures do not reveal the true picture. Most of the meets that we lost were lost by a very few points, and we showed considerable strength even though we were beaten.

Varsity Basketball

Coach Larry Hoff's 1953 Varsity Basketball team completed the season with 10 games won and 12 games lost. The team was sparked by Ron Hain, forward, a junior who was given an "honorable mention" on the West Suburban Conference team. Other outstanding players were John Little, center; Frank Stanicek, forward, and Fred Bresnahan, guard, all seniors. The team showed excellent spirit. Irving Piolet and Ron Hain will probably provide the nucleus for next year's team.

Frosh-Soph Basketball

The Imps had a rough season this year. Due to a lack of height and accuracy in shooting, the fighting Frosh-Soph had a won two and lost twelve record in conference play.

Coach Jim Robbins, experiencing his first year of coaching at HT, worked most of the season on fundamentals. The Imps showed fight and team spirit in every contest, but they lacked that extra strength that was needed to win the close games.

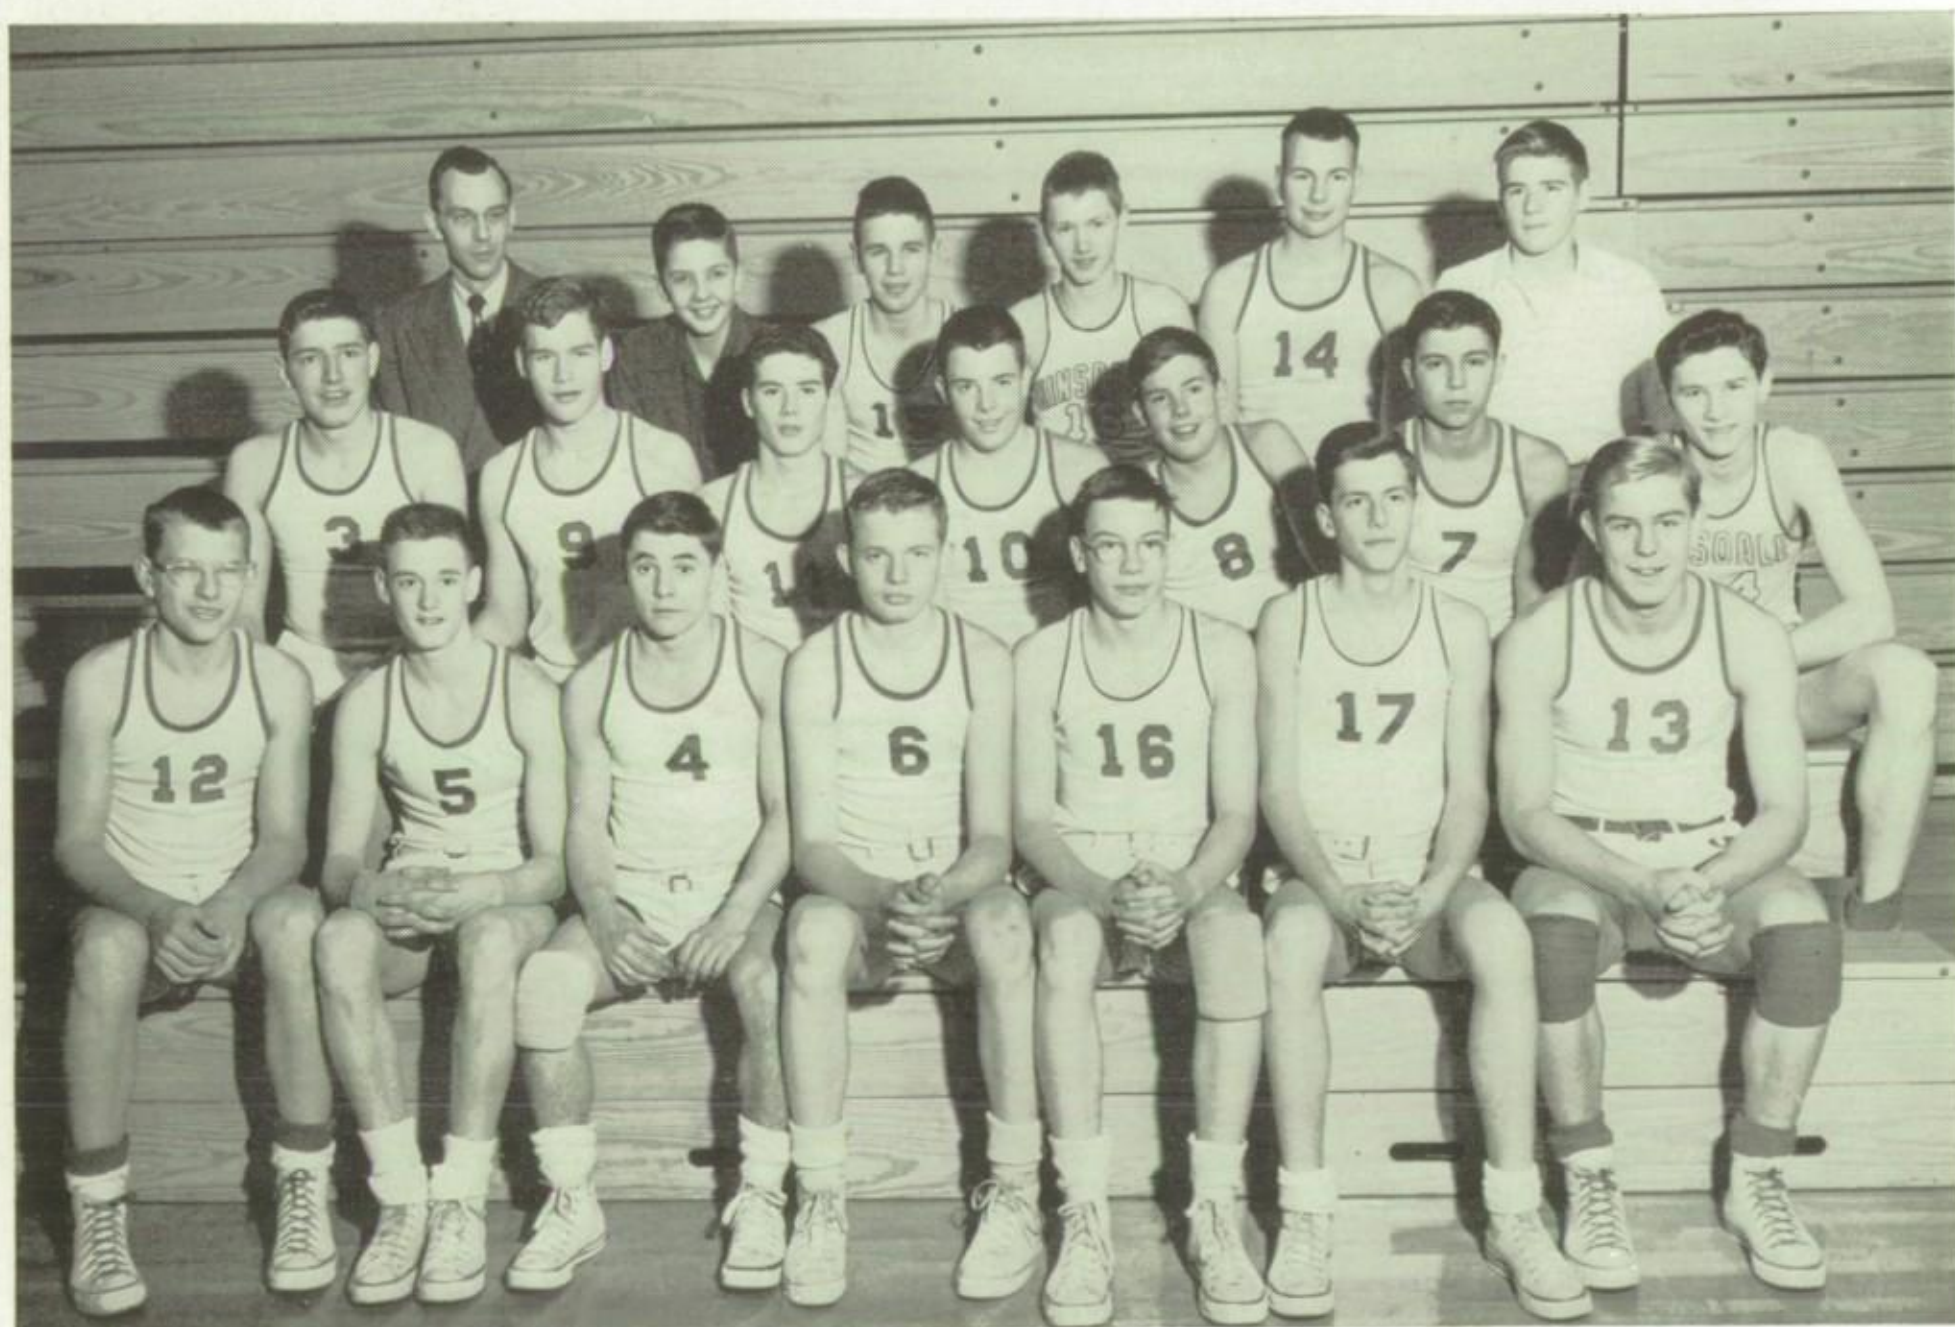

Sparking the Imps through the season were Dennis Krause, Dick Bresnahan, Corky Freeman, Armand Heck, Pete Remedi, and Walter Davidson. Next year these boys will be playing Junior Varsity basketball with a fine Freshman squad moving up to play Frosh-Soph ball.

The tennis campaign this year was as successful as ever with Coach Clare Riessen's netmen living up to expectations. With six returning lettermen leading the field, HT's tennis team enjoyed one of the greatest seasons in Hinsdale's history. Such stars as Irv Piolet, Dick McLaughlin, Tom Reynolds, Dick Low, Don Low, and Joe Bosworth played regularly for the netmen. Playing on our brand new tennis courts, these boys gave HT students many thrills throughout the year. Now that we have our own courts, the students have become more interested in the game, and Coach Clare Riessen can look forward to the day when tennis develops into a real spectator sport at Hinsdale.

Coach Rus Poppenhager's golf team gave HT a real fine season this year. Playing some of the best golf HT has seen in recent years were returning lettermen Bob Ause, Jerry Jackson, Jim Corkery, Bob Bither, Dick Bither, Jerry Caldwell, and Linne Carlson. Next year promises to be even more successful as the nucleus of the 1953 squad was juniors.

Track... Baseball

The HT track squad enjoyed a fairly successful season this year. With only three returning lettermen, Jack Morehead, Gene Halladay, and George Oles, Coach Russell McCarthy had to rely on underclassmen for much of his team strength. Big events on the track schedule were the Naperville Relays, Oak Park Relays, and the annual Hinsdale Relays. This year with the aid of a new, rebuilt outdoor track, the Hinsdale Relays was a big success. Next year proves to be even a better season for the outdoor and indoor track squads as the bulk of this year's team will be returning.

The baseball season this year was very satisfactory. Coach Sherman had one of his best teams, and next season should be even better. With the returning lettermen pacing the squad the HT ball club established a fine record. Such stars as Rolf Spamer, Bob-Marek, Bill Morrow, Howie Bauer, and Dennis Krause led the "diamond Devils" through a tough schedule. Baseball this year showed evidence of developing in HT's most popular spring sport.

CAPC... H-Club

CAPC is an organization that is seldom recognized at HT. The Civil Air Patrol Cadets are led by Russell McCarthy. They participate in rifle contests, work on engine mechanics, and do air patrol maneuvers. The Cadets have achieved much recognition in the county and in the surrounding area for their skill in these operations.

The H-Club consists of all the letter winners in athletics. Having a very busy year, their activities included selling coffee, holding ropes to protect the gym floor, and coat-checking at all the home basketball games. The boys sold programs and helped in the overall planning of the Christmas Festival and Regional Tournament. Many other things were done by the "H-Men," who were led by Bob Marek, president; Rolf Spamer, vice-president; Dick Low, secretary; Jack Zavertnik, treasurer; and Ralph Murdoch, Jim Corkery, and Howie Stulgin, members-at-large. All in all it was a very successful year for the boys and for Harvey Dickinson, their sponsor.
